

3. Narrative. In order for this complaint to be processed, you must provide a detailed description of the situation that led you to file this complaint. The description should identify the specific section(s) of the Building Code that you allege have been violated. (For example: “*The CSL holder began construction of an addition to a single family dwelling at 10 Main Street prior to applying for a permit, in violation of 780 CMR 5110.1. Inspector Jones issued a stop work order pursuant to 780 CMR 5119.1, but discovered the next day that work was continuing.*”). The Building Code can be found at www.mass.gov/dps. Additionally, please provide a letter or report from the building inspector, an engineer, or architect explaining the Code violations. In the Board’s experience, the vast majority of all viable complaints against CSL holders are accompanied by such a report. Additional pages may be attached as needed.
