**SPR-24-1 // 1 Municipal Drive – Chair D’Amelio** resumed deliberation of 1 Municipal Drive, noting it was the only item on the agenda, and reviewed the items requested at the prior hearing.

Department of Public Works Director, Eric Ryder, provided the Board with the details of salt storage (short and long-term). Peter Glick, C.E. of SMMA, reviewed the additional requests from the Board; the updated Photometrics plans; reviewed lighting location, types, and canopy of the fueling station including lighting, the fueling station, design plans for the site location, lightning, traffic flow direction, size of the station in its entirety, and all regulatory requirements being met. Chair D’Amelio, Member Filippi, Neil Young, Helene-Karl Architects, and Mr. Ryder agreed to add a condition with more detailed specifications by the State of Massachusetts for testing and DEP compliance.

Mr. Glick reviewed the Stormwater Peer Review, Michael Scott, LDC. No changes were requested and any issues raised by the review were addressed and corrected – water tank size, report documentation, and discharge pipes.

Motion made by Vice Chair Frias, seconded by Member Daigneault, to approve the Site Plans with the standard conditions and the additional condition of the testing specifications being furnished to the Planning Department. **5-0-0 Unanimous.**
