Executive Office of Elder Affairs partially funds this newsletter. Postage is paid by The Friends of Hudson Senior Center Inc. Occasionally the center provides speakers to help inform seniors regarding current senior issues. This type of forum is educational and allows seniors to ask questions for themselves. At no time is this to be construed as an endorsement from the Hudson Senior Center.

A River Runs Through It

When I first ran for the state legislature, I couldn't have realized how central a role water would play in shaping my career as a legislator.

In the years since, the communities in my district have experienced water crises – wells running dry and invisible chemicals threatening water supplies – and the need for assistance in building culverts, replacing water treatment facilities, monitoring rivers, and safeguarding firefighting sources from drought.

Each piece of legislation I have championed regarding safeguarding our water, and each constituent crisis I have helped resolve, has become part of a larger narrative: protecting and preserving this most essential resource for generations to come.

At every step along the way, the Massachusetts Department of Environmental Protection (MassDEP) has offered its support. They are the unsung heroes who solve problems and roll out real solutions.

It has been my privilege to partner with MassDEP over the years. I was delighted to be part of the Department's 50th anniversary celebration, held this summer in Worcester, where we commemorated 50 years of the agency's efforts to protect our environment and preserve our future.

I was also honored to be recognized with the 'Central Region Legislator of the Decade' award from the MassDEP, among the legislators who are committed to advancing environmental protection, sustainability and justice through policy and legislation and who partner with MassDEP to address critical environmental challenges. (*Pictured above from the ceremony in Worcester: MassDEP Commissioner Bonnie Heiple, Rep. Kate Hogan, Director of MassDEP's Central Regional Office in Worcester Mary Jude Pigsley*)

Water tells stories about our communities. Water flows through and under every town in my district—from the taps in our homes to the rivers that power our economy to the aquifers that sustain our future. Senator Edmund Muskie once said, "High quality water is more than the dream of the conservationists, more than a political slogan; high quality water, in the right quantity at the right place at the right time, is essential to health, recreation, and economic growth."

Contact Rep. Hogan: State Representative Kate Hogan proudly represents the Third Middlesex District, which includes the towns of Bolton, Hudson, Maynard, and Stow. Reach Rep. Hogan by phone at (617) 722-2600 or email at Kate.Hogan@MAhouse.gov. Find her online at www.repkehogan.com and on social media at @RepKateHogan.

Hello to Everyone,

A special thanks to the Hudson Fire Department for their outstanding in-person presentation at the Senior Center on their Senior Safe Program. Their visit was both informative and impactful. They emphasized the importance of having working smoke and carbon monoxide detectors and also discussed other valuable safety measures such as night lights, grab bars, stove hood fire stop products and more.

If you'd like the Hudson Fire Department to visit your home to inspect your smoke and carbon monoxide detectors and replace batteries if needed, please call the Senior Center and ask for Holly or Ana. They're compiling a list of interested residents to coordinate with the Fire Department. Let's stay safe and enjoy the beauty of fall together!

Medicare Open Enrollment Period is approaching; Oct 15th through Dec 7th 2025. That's the time to review and make changes to your health insurance and prescription drug plans for next year. Holly, Ana and Janice, Hudson SHINE Counselors, will be ready to help you review your current plans and explore new options for next year if needed. More on this next month.

The Ethics of Fibbing in Dementia Care

Monday, September 29th at 10am
at the Hudson Senior Center.

With Sharon Loveridge, CDP, Senior Advisor from Bridges by Epoch in Sudbury,

Therapeutic fibbing is all about bending the truth to avoid agitation and distress for an individual experiencing memory loss. Join us to discuss how caregivers can:

- Use subtle redirection to avoid conflict.
- Validate feelings to offer reassurance.
- Convey emotional truths rather than factual ones.

It's not about sanctioning deception. Instead, a therapeutic fib avoids the truth as an act of compassionate kindness. **You won't want to miss this, call to sign up!!**

Senior Center Bus Policy Review... PLEASE READ!

The Senior Center Bus is a Shared Form of Transportation. We try to accommodate as many people as possible to their appointments. There are times when we have up to five people needing transportation to different locations all at the same time. In this type of situation, we may not be able to accommodate everyone or we need to group the riders which would mean an earlier pick up for everyone in order to get you all to your destinations. Please note we are NOT a TAXI service. Per our Bus Policy, we have asked that **everyone please be ready *an hour before your appointment time*** in the event that we need to call you for an earlier pick up. You may also have to wait a while for your return trip home. That is how a Shared Form of Transportation works. Also, **we will no longer accept requests for nail and hair appointments on Wednesdays and Thursdays.**

Coming Soon... Medicare Open Enrollment!

It's that time of year again... Please be on the lookout for our pre-enrollment form that should be filled out by you to give us, as SHINE counselors, with your updated insurance information. You can expect to see this in the **October** newsletter. We would appreciate you filling this out as best you can to make sure we have your updated list of doctors, medications, and any other pertinent information. As many of you know, your medical and prescription drug plans can change from year to year. It is very important to have your health insurance plan reviewed for next year, regardless of how well you think it has been for you for this past year. Premiums can change, copayments can change, and even the list of medications a plan will cover next year, can change. It is essential to have your coverage reviewed by a SHINE counselor every year. You can have this reviewed and can change your plan for 2026 during the Open Enrollment Period, which is October 15 until December 7, 2025. During this time, we not only review your plan changes and options, but we also use this time to re-screen you for any assistance programs you may be eligible for. If you would like to sign up to meet with a SHINE counselor during the Open Enrollment period, contact the Hudson Senior Center at 978-568-9638 for an appointment. You can also complete the Pre-Enrollment form and bring it to the Senior Center, and a SHINE counselor will be in contact with you to schedule an appointment. Again, please keep in mind that we are giving you this form in our **October** newsletter.

O PROGRAMA SNAP

O Programa Complementar de Assistência Nutricional (SNAP) ajuda indivíduos e famílias de baixa renda a comprar alimentos saudáveis e nutritivos. Um benefício mensal do SNAP a um domicílio depende do tamanho, do rendimento e dos gastos deste domicílio. Se você ou alguém de seu domicílio é um cidadão americano ou um não cidadão legal e ganha menos do que um determinado rendimento, você talvez possa obter benefícios SNAP. Na maioria dos casos, um domicílio inclui todas as pessoas que comprem, cozinham e comem refeições juntas. Se precisar mais informações ou precisar aplicar para o programa SNAP, telefone para Ana Terra-Salomao – 978-568-9638 x 476
