Notes: Five years ago, Town Meeting funded a comprehensive update of the Town's Zoning By-laws. The goal of this effort was to create a document that is easy for all users to navigate; provide a structure that is both predictable yet flexible enough to accommodate amendments over time; and one that is consistent with State and Federal statutes. Furthermore, the following new components have been added: a solar by-law; a drive-through by-law; updated parking requirements by land-use; a table of land uses by zoning district, consolidation of zoning districts, and the digitization of the Zoning Map.

At the Select Board's meeting held September 13, 2021 the following was voted:

Select Board to consider taking a vote to adjust/reduce the quorum requirement for the Special Meeting to be held on November 15, 2021 at 7:30 PM, Pursuant to Chapter 92 of the Acts of 2020 of the General Court of the Commonwealth of Massachusetts, as amended by Chapter 20, section 8 of the Acts of 2021 approved by the Governor on June 16, 2021.

On a motion by Mr. Duplisea, seconded by Mr. Burks, the Board voted 5-0, in consultation with and with the approval of the Town Moderator, to decrease the quorum from 150 registered voters to 70 registered voters for the November 15, 2021 Special Town Meeting.

INTRODUCTION TO TOWN MEETING

The Town Meeting is a deliberative assembly, charged with considering a number of questions of varying complexity in a reasonable period of time, and with full regard to the rights of the majority.

AUTHORITY

The three elements of authority at Town Meeting are a quorum of 150 registered voters or more, the Moderator and the Town Clerk. The Moderator presides at and regulates the proceedings, decides all questions of order, and makes declarations of all votes. No one may speak on an issue without being recognized by the Moderator. It is his responsibility to approve the distribution of materials, and persons wishing to do so must seek his permission. The Moderator appoints Tellers and alternates for the purpose of counting votes of the meeting.

THE WARRANT: All matters to be considered at Town Meeting must be published in the Town Meeting Warrant, which is the responsibility of the Board of Selectmen. The Finance Committee reviews the warrant, making recommendations on items of business to be presented. In accordance with the By-Laws, all articles in the Warrant are considered in the order in which they appear in the Warrant, unless the Town Meeting votes otherwise, after reasons have been stated. The Moderator has full discretion to decide whether or not the motion to change the order of articles will be entertained.

PARTICIPATION: All remarks should be limited to the subject then under discussion. It is improper to indulge in references to personalities. The Moderator may request any person to keep silent. If after warning from the Moderator, a person refuses to be silent or persists in other disorderly behavior, the Moderator may order a person to withdraw and if he fails to withdraw, may order a police officer to remove such person from the Meeting. Each individual who speaks to the Meeting should make an effort to be as brief as possible out of consideration for others attending the Meeting and the need to give adequate time to all matters coming before it.

CLASSIFIED MOTIONS: Pursuant to section 8 of article II of the By-Laws of the Town of Hudson, when a question comes before Town Meeting certain motions shall be received and have precedence in the following order:

PRIVILEGED MOTIONS: These are motions that have no connection with the main motion before the Town Meeting, but are motions of such importance that they are entitled to immediate consideration. These motions have the privilege of temporarily setting aside the main business before the Town Meeting.

TO ADJOURN (decided without debate); **TO FIX THE TIME FOR ADJOURNMENT**; **SUBSIDIARY MOTIONS:** These are motions that are used to modify or dispose of the main motion being considered. Their existence as motions depend on the main motion to which they are subordinate; **TO LAY ON THE TABLE** (decided without debate);

FOR THE PREVIOUS QUESTION (decided without debate); **TO COMMIT**; **TO AMEND**; **TO POSTPONE INDEFINITELY**

All motions may be withdrawn by the maker if no objection is made.

INFORMATION ON MOTIONS: A motion is the means of bringing a proposal or question before the Meeting for consideration. When put forward it is a motion; after is seconded and acknowledged by the Moderator, it becomes the question or proposal; and if it is approved by the Meeting, it becomes a resolution. Generally, no motion shall be entertained unless the subject is contained within a warrant article. The Moderator shall determine whether a motion is within the "scope of the article," that is, whether the warrant gives adequate notice that the action proposed by the motion might be taken at the Meeting. Articles only give notice and do not initiate action; motions do. Motions may be withdrawn; articles may not be.

Some motions avoid a final determination by the Meeting. A motion to commit or refer sends the matter to an existing board or committee or one to be established. The motion to postpone indefinitely disposes of the question without bringing it to a direct vote. The motion to postpone indefinitely should not be confused with the motion to lie on the table which only temporarily delays a vote.

Pursuant to article II, section 3 of the Town of Hudson By-Laws, no vote of Town Meeting shall be reconsidered except upon notice by an individual who voted with the majority thereon given within one hour of

such vote at the same or succeeding session. If the individual who gives notice does not immediately make such motion, then a motion to reconsider may be made by another individual voter who voted with the majority.

Pursuant to section 4 of article II, no article in the Warrant shall be again taken into consideration after disposed of unless ordered by a vote of two-thirds of the voters present and voting. Pursuant to section 5 of article II, no voter shall speak more than twice upon any question without obtaining leave of Town Meeting neither except to correct an error or explain a point, nor until all other individuals who have not spoken and so desire have been given the opportunity to speak. Pursuant to section 6 of article II, all motions must be reduced to writing before being submitted to the Town Meeting if required by the Moderator.

Pursuant to section 9 of article II, a motion to receive the report of a committee shall put the report before Town Meeting but not discharge the committee. A vote to accept or adopt such report with or without amendment shall discharge the committee.

Pursuant to section 10 of article II, a 150-voter quorum is required to conduct business at Town Meeting. However, no quorum is needed for a motion to adjourn.

Pursuant to section 11 of article II, articles in a warrant shall be considered in order, except that the Moderator upon request and for reasons stated, may entertain a motion to consider an article out of regular order.

Pursuant to section 12 of article II and in addition to the authority already specified above, the Moderator may administer the oath of office to a town officer chosen at Town Meeting. If a vote declared by the Moderator is immediately questioned by seven or more voters, then the Moderator must verify the vote by polling voters or dividing the Town Meeting. If a two-thirds vote of Town Meeting is required by State Statute, the count shall be taken and the vote recorded by the Town Clerk. However, if the vote is declared to be unanimous, a count is not needed and the Town Clerk shall record the vote as unanimous unless immediately questioned by seven or more voters.

TOWN FINANCE TERMINOLOGY

The following terms are used from time to time in the Annual Report and Town Meeting. In order to provide everyone with a better understanding of the meaning, the following definitions are offered:

SURPLUS REVENUE: (Sometimes referred to as Excess and Deficiency Account). This fund is the amount by which the Cash, Accounts Receivable, and other assets exceed the liabilities and reserves.

AVAILABLE FUNDS: (Often called "Free Cash") This fund represents the amount of money remaining after deducting from the Surplus Revenue all uncollected taxes for prior years, taxes in litigation and court judgments. This fund is certified annually by the State Bureau of Accounts and may be used to defray town costs by a vote of the Town Meeting.

OVERLAY: The overlay is the amount raised by the Assessors in excess of appropriations and other charges for the purpose of creating a fund to cover tax abatements and exemptions granted and to avoid fractions in the tax rate.

RESERVE FUND: This is a fund established by the voters at the annual town meeting and may consist of direct appropriations or transfers. Transfers from the Reserve Fund are initiated by the Executive Assistant and require the approval of the Finance Committee. The use of the Reserve Fund is restricted to "extraordinary or unforeseen expenditures".
